- 8. Networking (Optional) (5 min):** Informal networking and discussion.

### GUEST SPEAKER OPPORTUNITIES

**Meeting Duration:** 1 Hour

**Meeting Purpose:** Provide members with specialized insights and knowledge from experts in various fields.

- 1. Guest Speaker Session (60 minutes)**
  - Occasionally, we have the privilege of hosting esteemed guest speakers or specialists who take the floor for the entire meeting. These sessions provide a deep dive into a specific topic or area of expertise.
  - Our guest speakers may come from various fields and industries, offering unique insights and knowledge that can benefit our members. These sessions are a valuable opportunity to learn from the best in the business and gain valuable takeaways.
  - We encourage active participation, questions, and discussions during these sessions to maximize our learning and make the most of the guest speaker's expertise.
  - Stay tuned for announcements of upcoming guest speaker sessions, as they are a highlight of our mastermind group's commitment to continuous learning and growth.

*\*Time allocated for each agenda item will be adjusted as needed to ensure the meeting stays on track and within the 1-hour time frame.*
